2024 SUMMER INTO AUTUMN SAVINGS

LORD OF THE HIGHLANDS

THE CALEDONIAN CANAL, THE GREAT GLEN, THE HIGHLANDS
& ISLANDS OF SCOTLAND, ORKNEY AND EDINBURGH

Lord of the Highlands is our newest ship and a worthy sister to *Hebridean Princess* whose reputation has spread worldwide from her early beginnings.

Continuing our dedication to small ships, *Lord of the Highlands* carries just 38 guests, and in 2024 will take Hebridean's unique style to the intricate inland waterways of the Caledonian Canal, the idyllic Inner

Hebrides, the untamed and remote Orkney Islands as well as the beauty of Scotland's east coast.

Themed cruises include maritime history, arts and architecture. Renowned and entertaining guest speakers will enhance our themed cruises for your added enjoyment to help bring each itinerary to life.

* A saving of 25% has been applied to the new fares shown in this booklet. These fares are for new bookings only, can not be combined with any other offers and may be withdrawn without notice.

HEBRIDEAN PRINCESS

HIGHLANDS & ISLANDS OF SCOTLAND NORTHERN IRELAND AND ISLE OF MAN

Hebridean Princess commenced sailing under the Hebridean Island Cruises flag in 1989 and has since delighted over three generations of guests with her unique and elegant style of cruising.

Just 48 guests are cared for by a crew of 38 as she sails around perhaps the most beautiful coastline of northern Europe – Scotland's

Western Isles. In the summer of 2024, longer voyages take her to the lush green and fertile land of Ireland.

First to coin the phrase, 'floating country-house hotel', *Hebridean Princess* remains unchallenged as the finest small ship to cruise these waters.

* A saving of 25% has been applied to the new fares shown in this booklet. These fares are for new bookings only, can not be combined with any other offers and may be withdrawn without notice.

GENUINELY FULLY INCLUSIVE CRUISING

There is nothing quite like the sense of freedom you feel, knowing that everything from tours ashore, to meals and drinks, port taxes and even gratuities are included in the fare you pay. *Hebridean Princess* and *Lord of the Highlands* cruises are genuinely fully inclusive; not an empty promise, but a Hebridean pledge to ensure that you have a carefree holiday both on board and ashore.

ON BOARD DINING EXPERIENCE

Dining is a major element of any cruise and on board *Hebridean Princess* and *Lord of the Highlands* you will dine in our elegant restaurants for breakfast, lunch and dinner.

COMPLIMENTARY DRINKS

Complement your meal with specially selected wines of the day, and enjoy other house wines and spirits, soft drinks and beers, tea and coffee during your time with us at no extra charge. Taittinger Champagne is also included by the glass throughout your cruise.

ENGAGING SHORE VISITS

There is no need to decide on which tours and visits you would like to take as these are all included, along with the services of our knowledgeable on board guide.

GRATUITIES AND TAXES

Knowing when and how much to tip can be a difficult decision, but on every *Hebridean Princess* and *Lord of the Highlands* cruise all gratuities are included in your cruise fare, both on board and ashore, as well as all port taxes and dues.

GUIDES AND GUEST SPEAKERS

Knowledgeable guides accompany all cruises, both on board and on the tours ashore. Renowned guest speakers feature on selected cruises; passionate about their subject, these captivating orators bring each cruise to life.

INTERNET ACCESS AND WI-FI

Complimentary Wi-Fi access is available in the public rooms and cabins on both ships.

COMPLIMENTARY TRANSFERS AND CAR PARKING

Courtesy coach transfers from the local airport or train station at predetermined times. For those wishing to drive, secure parking is available.

PERSONAL

At Hebridean Island Cruises, we believe it is simply not possible to look after large numbers of guests properly and give them the really personal service that differentiates an extraordinary holiday from a merely good one.

If you would like to be known by your name within moments of stepping on board, to have your smallest preferences remembered, then mass-market style cruising will never be a satisfactory alternative. Everything we do receives the same level of care and attention; from the carefully conceived shore visits to the spectacular overnight anchorages, the exquisite menus and the unique and individually designed cabins. Every little detail aims to ensure that the whole experience is so complete that you will never even notice.

Discreet service is the bedrock of our reputation, and the uncannily accurate anticipation of your needs is a skill that our crew has developed into almost an art form. For us, resoluteness in the pursuit of perfection is something for which, in our view, there is no alternative. Behind the scenes we will be striving day and night to ensure that yours is the best holiday you have taken. Your job is to simply sit back, relax and enjoy - Hebridean style!

RELAXING

After exploring ashore, the comfort and homeliness of *Hebridean Princess* and *Lord of the Highlands* welcome you back as though to your own home; and that is how we, and more importantly our guests, like to think of these unusual little ships.

The Tیره Lounge on board *Hebridean Princess* and the Panorama Lounge on board *Lord of the Highlands* are the social focal points of each ship; beautifully designed and filled with comfortable armchairs providing cosy areas where conversation flourishes.

The intimate and well stocked bars provide the opportunity to sit back and relax with your favourite tippie in hand as the scenery glides by the large picture windows.

DELECTABLE

Fine dining is a vital part of the perfect cruising experience and at Hebridean we take special pride in the quality of our cuisine, prepared by expert chefs using locally sourced produce. Our wines are carefully selected to complement our varied menus.

Dinners and most lunches are served in the elegant restaurants, where awe-inspiring scenery is on view through the picture windows. Whilst dinner is usually at anchor or berth, breakfast and lunch are often served en route to our next destination, as breathtaking landscapes roll by. Breakfasts are informal and are as healthy or as hearty as you choose with fresh fruit, home-baked breads, cooked Scottish fayre and of course, chef's own take on that Scottish staple (porridge), with or without a wee dram!

Our Gala Dinners are sparkling occasions, from the Champagne reception in the lounge to a gourmet dinner - and no cruise would be complete without a traditional recital of Robert Burns' Address to a Haggis!

ENRICHING

Whatever your choice from our wide range of cruises, they all include fascinating shore excursions, always organised with precision and often to places accessible only to private yachts.

The rare, the beautiful and the rewarding are our speciality. Our route designers ensure that every voyage features places that distinguish a Hebridean cruise from any other.

Our long-standing connections in this remote corner of the kingdom enable us to arrange visits to privately owned castles and gardens, with an opportunity to talk to the owners and enjoy the different dimension of a visit that is utterly personal.

A highly knowledgeable and experienced guide will accompany your visits ashore. Whether exploring remote islands and historic sites, or simply taking in the magnificent scenery on board, you will appreciate their knowledge and insight of the spectacular areas through which *Hebridean Princess* and *Lord of the Highlands* cruise. The guide's evening talk is a convivial get-together in the lounge after dinner - and an ideal opportunity to relax over coffee or a digestif and mingle, whilst learning more of the tantalising places to come.
